College-Ready Homeschool High School Transcript

Clean 9th–12th Grade credit ledger, 4.0 GPA calculator guide, and official parent-certified transcript worksheet.

Do Colleges Accept Parent-Issued Homeschool Transcripts?

- YES — Every accredited U.S. university (including state flagships, Ivy League schools, trade academies, and military branches) actively recruits and admits homeschooled graduates using parent-signed transcripts.
- Standard Credit Rule: 1.0 High School Credit = ~120–150 hours of study OR completion of one standard high school textbook/course (0.5 Credit = 1 semester). Target 22–26 total credits across 4 years.

Recommended 24-Credit Graduation Blueprint

- English / Literature & Composition: 4.0 Credits | Mathematics (Algebra I through Pre-Calc/Consumer Math): 3.0–4.0 Credits
- Science (Biology, Chemistry, Physics/Earth Science w/ Labs): 3.0 Credits | History & Civics (World, U.S., Government/Econ): 3.0–4.0 Credits
- Bible, Worldview & Ethics: 2.0–4.0 Credits | Foreign Language / Fine Arts / Electives / Dual Enrollment: 6.0+ Credits
- Unweighted 4.0 GPA Scale: A = 4.0 | B = 3.0 | C = 2.0 | D = 1.0 (Multiply grade points × credits, then divide total points by total credits).
