Notice of Intent to Homeschool (NOI) Template

Universal printable Notice of Intent template + compliance binder checklist (adapt to state-specific forms where required).

How to Use This Notice of Intent (NOI)

- Confirm whether your state requires zero filing (e.g., TX, IL, OK, NJ, MI, MO, AK, CT, IA, ID, IN), a one-time filing (e.g., NC, NV, UT, AZ), or an annual Notice of Intent (e.g., MD, VA, FL, GA, WA, NY, PA).
- Send only the information legally required by your state statute—never volunteer extra personal documents not required by law.
- Keep a dated copy and proof of delivery (certified mail receipt or portal confirmation screenshot) in your permanent Homeschool Compliance Folder.

Universal Notice of Intent Declaration

- To the Superintendent / Office of Home Instruction: Pursuant to applicable state home-education statutes, this letter serves as formal Notice of Intent to provide a regular, thorough home instruction program for the student(s) listed below for the current school year.
- Our instruction will cover core academic subjects required by state law, including Reading/Language Arts, Mathematics, Science, and History/Social Studies, alongside character and family discipleship.
